## DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This frame, plank constructed house is situated in a hilly area near a junction in Bishoff Road. The house faces east. It is a two story, three bay by one bay structure with a single story ell, both with gable roofs. A shed addition attached to the ell slopes off the back, west elevation of the main structure with another shed addition sloping off that on the south elevation. A porch, supported by four plain wood posts, run across the facade of the house. The house can be entered from the facade and from entrances on the south and west elevations of the small shed addition.

An exterior cinderblock chimney is located on the south elevation, and in the center of the rear elevation of the house. A brick chimney is located on the north end of the main structure towards the back. The house is lighted by one over one sash windows with three over one windows in the rear additions. The house is covered with asphalt shingles (diamond shaped on the main structure). The roof is covered in the front with seamed metal sheeting and in the rear with asphalt shingles.
